Hi,

I uploaded a build method example file that works to make ARM cross compilation.

See :

[http://www.ultimatepp.org/forum/index.php?t=msg&goto=37955&#msg\\_37955](http://www.ultimatepp.org/forum/index.php?t=msg&goto=37955&#msg_37955)

If you want to use MT on ARM you will have to make the modifications I stated here :
