Thanks Omari for the suggestion
The OUTPUT values or 'dir' are the same

MyApps.var
UPP = " C:\\upp-mingw-11101\\upp/MyApps;C:\\upp-mingw-11101\\upp/upp src ";
OUTPUT = "C:\\upp-mingw-11101\\upp\\out";

uppsrc.var
UPP = "C:\\upp-mingw-11101\\upp/uppsrc";
OUTPUT = "C:\\upp-mingw-11101\\upp\\out";

Neil
