Downloaded ScatterCtrl_demo from UppHub.

Get the following errors:

Why are IsNum and FormatDoubleAutosize missing?

Thanks.

Sorry. That made it worse. Updated UppHub 16270/ScatterCtrl_demo 30 minutes ago.

It now has 2 new bugs.

Here is the full build error report:

Hello awksed

I downloaded U++ from scratch and updated UppHub, and the Scatter demo worked perfectly.

I get the feeling that the problem is that you are using outdated libraries.
Please update all Scatter dependencies.

Hi Iñaki,

Thanks for your reply.

How do I update all Scatter dependencies (on my 16270 IDE)? I dont see an IDE option for this.

Regards,

awksed

Hi awksed

Go to the menu Setup/UppHub..., and then click on UpdateAll.
If that is not enough, install Function4U.
