Hi Mirek,

When trying to open the PAD file URL:
http://www.ultimatepp.org/pad/upp.xml

my web browser reports "The page cannot be found".

Is there anything wrong?

Thanks and best regards,
Yeoh

Sorry, in process of moving to new webshosting. I will fix this in 6 hours.

Still should be accessible in www.ntllib.org (but trouble is that we need those links active now, I know).

Mirek

Good, it's back online now.

Thanks and best regards,
Yeoh
